Wee Wednesday: Make Your Mark

Book: *Ish* by Peter H. Reynolds

Art: *Murnau with Locomotive* by Vassily Kandinsky

*Port-en-Bessin: The Outer Harbor (Low Tide)* by Georges Pierre Seurat

**Pointillism Drawings**

**Materials**

- Paper
- Cotton swabs or pencil with an eraser
- Paint or ink pad
- Markers

**Instructions**

- Decide what you will be making a drawing of today.
- If you are using a cotton swab or pencil with an eraser, dip the end in paint or an ink pad. Tap your instrument up and down to create dots on your page.
- If you are using a marker, tap your marker up and down on the page to create dots.
- Create dots that are close together and far apart to create shapes and lines on the page to form your drawing.
- Think about placing different colored dots next to each other to create a new color when you view your artwork from farther away.
- When you are finished with your drawing, view it from close-up and far away. What do you notice?
