Mosaics

Materials

- Paper of various sizes, colors, and patterns
- Small, repurposed materials such as bottle caps, pebbles, beans, etc.
- Scissors
- Glue and/or tape
- Pencils, pens, or other drawing materials

Instructions

- Use a piece of paper as the base for your mosaic. If you would like, draw an outline using a pen, pencil, or other drawing material of what you would like your mosaic to look like.
- Cut up paper into small shapes to create your mosaic. They can be any shape. With your small pieces of paper and any repurposed materials you have collected such as bottle caps or pebbles, arrange your pieces into your outline to create your artwork.
- Once you have arranged your pieces, use glue or tape to secure them to your base.
