SAINT LOUIS ART MUSEUM

Welcome to the return of Art in Bloom, the Saint Louis Art Museum's annual celebration of flowers and fine art. This year, 30 works from the Museum's collection have been imaginatively interpreted by some of the region's most talented floral designers. In addition to these displays, the festival includes special ticketed events, family activities, dining, and shopping.

Flowers have the power to transform the way you feel. Experience the beauty of floral design through the eyes of Gabriela Salazar, owner of La Musa De Las Flores and founder of the online floral-design school Heartfelt Floristry. Gabriela will talk about how growing her own garden has changed how she designs with flowers. During a talk and live floral arranging demonstration, she will illustrate how an intimate relationship with flowers is the artistry behind her soft, romantic arrangements.
