SAINT LOUIS ART MUSEUM

Welcome to Art in Bloom, the Saint Louis Art Museum's annual celebration of flowers and fine art. This year, 30 works from the Museum's collection have been imaginatively interpreted by some of the region's most talented floral designers. In addition to these displays, the festival includes special ticketed events, family activities, dining, and shopping.

We express our deepest gratitude to our Art in Bloom Preview Party chairs, Friends Board members Ken Stuckenschneider and Cheree Berry, for their leadership, creativity, and enthusiastic support.

MATISSE

and the sea

On view through May 12

Experience the first exhibition to examine the significance of the sea across Henri Matisse's career! Marine imagery was an inspiration for Matisse's artistic experimentation—most notably in the Saint Louis Art Museum's own iconic painting *Bathers with a Turtle*. The exhibition offers the opportunity to explore the artist's travel across his career as well as the global influences that informed his art.

For more information and tickets, visit slam.org/Matisse.

The exhibition is organized by the Saint Louis Art Museum.

Funding for this exhibition is provided by the Edward L. Bakewell Jr. Endowment for Special Exhibitions. In-kind support is provided by Christie's.

This exhibition is supported by an indemnity from the Federal Council on the Arts and the Humanities. Produced with the support of the French American Museum Exchange (FRAME).
